

Canvey Island Swimming Club

Swimming Improvement Scheme

Summer Swim School Sessions

June 2017

Dear Parents / Guardians

The current swimming term 'Term 3' runs until Sunday 23 July.

We will continue to provide lessons during the School Summer Holidays to ensure your child/children have the opportunity to maintain and continue improving on the confidence and skills that they have now acquired. We can offer you the flexibility of choosing and pre-booking as many sessions to suit, ie from 1 per week or as many as 4 per week.

Please make sure you **book and pay in advance** (we can accept post-dated cheques and all cheques must be made payable to Canvey Island Swimming Club).

If your child currently swims just once a week, you may like to use these weeks to try out extra lessons. If you have friends or siblings, and are aged 3yrs+, they too can come along and learn a life skill of being able to swim.

The cost of these Summer Swim School Sessions will be £5.00 per half-hour session.

Please complete and return the below section with payment to Donna or Sarah on the desk – thank you.

Child's name _____

Current Swimming Group
